

# HIRST FARM HOA

*Spring 2020 Updates and REMINDERS*

## CHECKING IN

*2020 has brought a whole host of challenges. We hope this message finds you and your family healthy!*

## BULK TRASH

*Amid the current health crisis, the Town's trash contractor, American Disposal Services, has suspended pick up of BULK ITEMS. Please do NOT put bulk items at the curb until further notice. Trash and recycling service remains the same.*

## BOARD MEETINGS

*The March 18th, 2020 Board of Directors meeting was postponed. We are planning to have our May 20th meeting as scheduled. Most likely to be a virtual meeting. Please look for email updates and posts on [HirstFarmHOA.com](http://HirstFarmHOA.com)*

# SPRING PROJECTS & MAINTENANCE

*It's the perfect time for spring cleaning and to get caught up on those projects you've been putting off. Keeping up with yard maintenance is required. And as a reminder, check the community guidelines BEFORE making any exterior changes to your home and submit an application when needed. Questions? [dana.elam@pmpbiz.com](mailto:dana.elam@pmpbiz.com)*

## MANAGEMENT

*All PMP offices are open on a "staff only" basis. Your team is still available should you need anything*

*Community Manager  
Dana Elam*

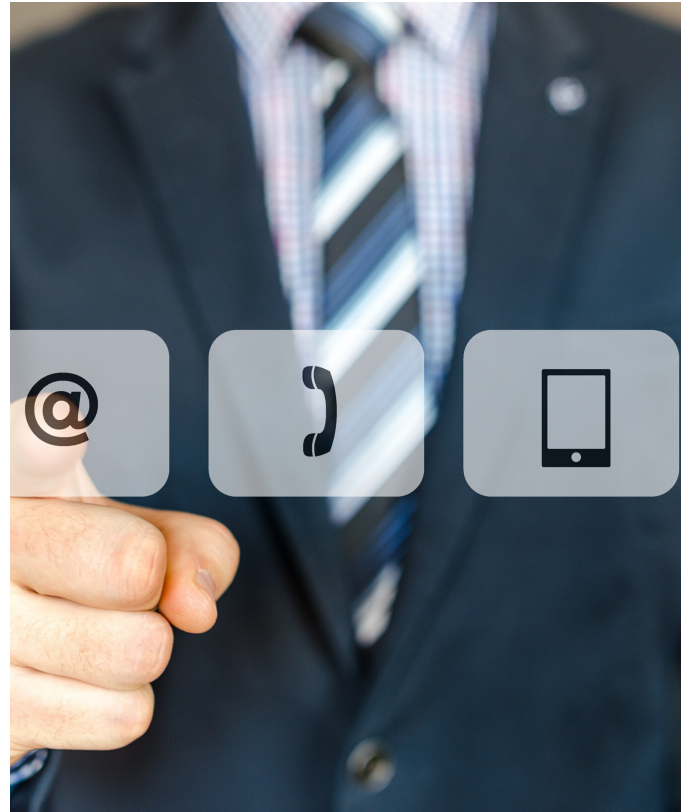

*703-771-9355 x1217
